

The screenshot shows the Visual Studio Code editor with the file `server.js` open. The editor has a dark theme and a sidebar on the left with icons for Explorer, Search, Source Control, Run and Debug, and Extensions. The top menu bar includes File, Edit, Selection, View, Go, Debug, and a search icon. The file explorer shows four files: `app.js`, `server.js`, `rotas.js`, and `controllers.js`. The `server.js` file is selected, and its content is displayed in the editor. The code is as follows:

```
config > JS server.js > ...  
4 app = express();  
5  
6 app.set('porta', 3000)  
7  
8 consign({cwd: 'api'})  
9   .include('models')  
10  .then('controllers')  
11  .then('routes')  
12  .into(app)  
13 ;  
14  
15 module.exports = app  
16  
17
```

The status bar at the bottom shows 0 errors, 0 warnings, and 0 info messages. The cursor is at line 13, column 2. The encoding is UTF-8, the line ending is LF, and the language is JavaScript. The taskbar at the bottom shows the Windows Start button, a search bar, and several application icons. The system clock shows 22:14 on 18/02/2022.

The screenshot shows the Visual Studio Code editor with the file `rotas.js` open. The editor has a dark theme and a sidebar on the left with icons for Explorer, Search, Source Control, Run and Debug, and Extensions. The top menu bar includes File, Edit, Selection, View, Go, Debug, and a search icon. The file explorer shows four files: `app.js`, `server.js`, `rotas.js`, and `controllers.js`. The `rotas.js` file is selected, and its content is displayed in the editor. The code is as follows:

```
api > routes > JS rutas.js > ...  
1 const controller = require('../controllers/controllers.js')  
2  
3 app.get('/', controller.rotaRaiz);  
4  
5  
6
```

The status bar at the bottom shows 0 errors, 0 warnings, and 0 info messages. The cursor is at line 6, column 1. The encoding is UTF-8, the line ending is CRLF, and the language is JavaScript. The taskbar at the bottom shows the Windows Start button, a search bar, and several application icons. The system clock shows 22:15 on 18/02/2022.

The image shows a Visual Studio Code window with the file `controllers.js` open. The editor displays the following JavaScript code:

```
1  const express = require('express')
2
3  module.exports = {
4    rotaRaiz
5  }
6
7  function rotaRaiz(req, res) {
8    console.log('Rota Raiz Encontrada!')
9    res.json({Ola: 'Rota Raiz Encontrada!'})
10  }
11
12
```

The status bar at the bottom indicates the current position is Line 12, Column 1, with 4 spaces, UTF-8 encoding, and CRLF line endings. The language is set to JavaScript. The Windows taskbar at the bottom shows the date and time as 22:15 on 18/02/2022, along with system icons for temperature and network.
